Subject: RE: Kzoo R. PCB Site: Agency Coordination Call: June 13 or 20?

I am only available on 6/13. I am not available on 6/20. So, if Michael can make this lets schedule for 6/13.

Jim

Hi, Lisa.

I am not available in the morning of June 13, I am presenting at a training so I cannot reschedule. You can proceed without me if that morning works best for everyone else. I am available all day on the June 20.

Nicole

Subject: Kzoo R. PCB Site: Agency Coordination Call: June 13 or 20?

Greetings, folks.

So far, only Trustees have filled out the poll for us to have an EPA-Trustee update call. Based on our dates, we propose holding such a call on either the morning of June 13 or the morning of June 20, with later in the afternoon of the 20th also a possibility.

The Trustees would like to update you on our progress on Alcott St. dam removal, our site visit looking for restoration possibilities at/near the Area 1 proposed target areas, the status of our planning documents, and our latest interactions with the Lyondell bankruptcy trustee, Jay Steinberg.

Please let us know ASAP which of these timeslots are best for EPA so that we can get a time blocked out.

Thank you!

-Lisa

When we last met in the Benton Harbor area, we talked about getting together again in June. Knowing how difficult scheduling can be for this group, I'm hoping we can get something locked in early. So, I've created a Doodle poll is below and asked about half day windows of availability:

Not sure what everyone is thinking yet about how much time we might need, but I am thinking we can manage via conference call. For visuals, we could try web conferencing and/or materials sent in advance. The Trustees have planned a site visit at the end of April to look at potential restoration ideas at or near the proposed additional removal locations, so we are likely to have maps and photos to share along with a discussion of possible project response/restoration coordination. Beyond that, we might pull out the agenda topics from our last meeting and update each other on each of those.

Please fill out the poll, let me know any thoughts you have on topics and about how much time you think we should reserve for this call.

Thank you!

-Lisa
